MODIFIED RESULT OF EPFO SSA RECTT. EXAMINATION 2023

The result of the EPFO SSA Recruitment Examination, 2023 was declared on 3rd January, 2024 recommending a total of 2674 candidates. After the declaration of the result, it was noticed that there were discrepancies in "Selected Category" in respect of selected candidates which necessitated scrutiny of the result. Accordingly, a comprehensive review of the result was undertaken, after which it was found that "Selected Category" in respect of a few candidates belonging to reserved category who had availed age-relaxation was incorrectly mentioned as "UR". Based on the said review, the discrepancy has been rectified and changes have been effected in the result initially declared on 03.01.2024.

2. To incorporate the changes indicated above, the result declared earlier on 03.1.2024, stands withdrawn and cancelled. The modified result incorporating the limited changes indicated at Para 1 is being released today. Panel of waitlisted candidates is in place and shall be operated as and when required and asked for by the requisitioning body.

3. The candidature of the candidates is purely provisional and subject to verification of documents and other eligibility criteria at the Organisation.

4. The NTA Score/Skill Test Result/Category-Wise Cut-offs in respect of all appeared candidates will be uploaded on website (<https://recruitment.nta.nic.in/> within 30 days from the date of release of result.

For any query or/clarifications, candidates can call NTA Help Desk at 011 40759000/ 011 69227700 or write to NTA at epfore@nta.ac.in
