No.CS-3(6)/2009/AC work/Vol-IX/Pt./49

Dated 2 APR 2019

To
Director PDNASS
All Additional Central Commissioners (HQ) of Zonal Offices
All Additional Central Commissioners of Zonal Offices
All Officers in Charge of Regional Offices

Subject: Provision of Air-conditioning system in EPFO offices.

Sir,

The CPFC observed during the senior officers meeting dated 25.03.2019 that the centralized air-conditioning is the best practice followed in respect of commercial buildings and advised to explore the feasibility of installing centralized air-conditioning in both new as well as existing building of EPFO in consultation with CPWD. The instructions for installing centralized air-conditioning in EPFO buildings will be issued after obtaining necessary approvals. In the meantime, the information in respect of existing air conditioners already installed in the offices of EPFO may be forwarded at the earliest as per below mentioned format to e-mail ID-chiefengineer@epfindia.gov.in.
