No. Publicity I(05)2016/ Nidhi Aapke Nikat

To

All Additional Central P.F. Commissioners (Zones)
All Regional P.F. Commissioners-I/OICs (Regional Offices)

Sir/Madam,

Nidhi Aapke Nikat, a public outreach programme is an endeavour on the part of our Organisation to be more accessible to its different stakeholders so as to bring them on a common platform and facilitate exchange of ideas and disseminate information besides grievance redressal. It marks an evolution of Bhavishyanidhi Adalat of yester years which was largely a grievance redressal forum.

2. Therefore, in continuation to this office circular No Publicity I(05)2016/Nidhi Aapke Nikat/10433 dated 17th August 2018 & Publicity VI(31)2015/7781 dated 8th June 2015, it is to reiterate that sufficient publicity regarding the conduct of the programme should be made beforehand, preferably by 20th of the preceding month through SMSs & e-mails, press release and communications to CBT members, Regional Committee members, trade unions, employers’ associations, chamber of commerce and employees’ associations to make it effective and successful.

3. While inviting the participation of the trade union and other associations, they may be requested to convey feedback on actual implementation of various initiatives and also on any specific issues that they would like to raise during the programme so that the office could be equipped to respond to such feedback/queries in a quick and responsible manner during the programme.

4. It is expected that Nidhi Aapke Nikat would strengthen the relationship between the Organisation and its stakeholders. Field functionaries must take all necessary steps to make the programme successful.

[This issues with the approval of Competent Authority.]

Yours faithfully,

(Samarendra Kumar)
Regional P.F. Commissioner-I (Communications & Public Relations)
