Dated: 18.12.2020

To

All Officers of EPFO
Head Office/Zonal Office’s/Regional Office’s

Madam/Sir,

ISSA is organising a virtual symposium on the subject cited above in collaboration with the ISSA Technical Commission on Organization, Management and Innovation and in cooperation with the Social Security Administering Body for the Health Sector (BPJS Kesehatan) of Indonesia.

2. The symposium will cover two topics. The first topic, Leadership in the human-and-digital age, will highlight the fundamental and pervasive change that is taking place across all social security institutions, from the top leadership through to the most junior staff.

3. The second topic, Behavioural insights and social security, will explore insights on how choices are made to improve social security outcomes. The session will look at how social security institutions are incorporating behavioural insights in designing policies, strategies and procedures to nudge its members and beneficiaries towards better decisions.

The details are as under:

Thursday, 28 January 2021, 09:00–12:00 (UTC/GMT+1 or CET)

Languages: Simultaneous interpretation in English, French and Spanish

The virtual symposium is open to delegates of ISSA member organizations and invited institutions without registration fees (beginning of January 2021).
