OFFICE MEMORANDUM

Subject: Submission of Revised Estimates for the year 2020-21 and Budget Estimates for the year 2021-22 in respect of Employees’ Provident Funds Scheme, 1952 (including Employees’ Pension Scheme, 1995) and Employees’ Deposit-Linked Insurance Scheme, 1976 from Zonal Offices/H.O./PDNASS.

In accordance with the provisions regarding budget contained in Para 58 of the EPF Scheme 1952, on probable Receipts and Expenditure relating to the Administration of the Funds, the Revised Estimates for the year 2020-21 and the Budget Estimates for the year 2021-22 of the Employees’ Provident Fund Organization, based on the actual Income & Expenditure up to 30th September 2020 (i.e. from 1.04.2020 to 30.9.2020), are to be prepared and placed before the Central Board of Trustees, EPF for consideration and approval in this financial year.

2. The budgetary exercise may not be treated as mere routine exercise and it should receive the personal attention of the Additional CPFC of the Zone and RPFC in-charge of Regional Office for its correctness and timely submission. On the part of the RPFC, it should be treated as a vital function and RPFC should devote personal attention in assisting the Addl. CPFC in-charge of the Zone. Zonal Offices may frame the BE/RE with due care as per provisions in GFRs after assessing the actual needs of the regions. It has been observed that in the last five years, RE was more than BE but the actual expenditure was even less than the BE for some regions. Therefore, due care may be taken while submitting the estimates to Head Office. Further, RE may be projected in such a manner as to obviate the need for re-appropriation in the last quarter of the financial year.

3. PDNASS is treated as an independent office and separate funds are allotted to meet its own expenditure and the Zonal Training Institutes (ZTIs) and Sub-ZTI (Shillong) working under it. As such, Director, PDNASS, may submit budget proposal separately for PDNASS including ZTIs and the Sub-ZTI.

4. ACC (ASD), Head Office is also required to submit the proposal of Revised Estimates 2020-21 & Budget Estimates 2021-22 in respect of Head Office including the
proposal of National Data Centre, Bhavishya Nidhi Enclave and Bhavishya Nidhi Bhawan regarding requirement of funds under the budget head "Minor Works" which will be at the disposal of Chief Engineer, Head Office.

5. The following guidelines may please be kept in mind while formulating the Revised Estimates for 2020-21 and Budget Estimates for 2021-22:

(i) One single proposal is required to be prepared in respect of a Zone as a whole by consolidating the proposals of Regional Offices. ACC of the Zone may immediately direct the ROs under their jurisdiction to ensure that there is no delay in transmission of the requisite information in the given format. The Revised Estimates for 2020-21 and Budget Estimates for 2021-22 for the offices of Addl. CPFFCs (Zones) and Permanent Inquiry Officers, Zonal Audit Parties and Deputy Directorates (Vigilance) may include new requirements, if any, other than the routine items like Pay & Allowances, Travelling Allowance, Stationery etc. to the Zonal Offices or PDNASS as the case may be, where these offices are situated, which in turn, will include the same in the consolidated budget proposal of the Zone.

(ii) Officer-in-charge in Regional Offices, in turn, may direct District Offices under their jurisdiction to furnish head wise demand for RE & BE and the demand of RO submitted to Zonal Office should include the RE & BE of District Offices.

(iii) To enable Head Office to assess the amount of contributions estimated as receivable during the year 2020-21 (Revised Estimates) and in 2021-22 (Budget Estimates), the details of contributions may be given in statements as prescribed in Annexure – BT/A. The figures of Income, Contribution and Expenditure may be in Rupees format only. If, there is a variation of 10% and above, justifications may be given.

(iv) It has often been noticed that some Zonal Offices send requisition for additional funds immediately after allotment of the Revised Estimates or in the beginning of the year after allotment of Budget Estimates under certain budget heads. Such a practice should be avoided. It is, therefore, requested to ensure that due care is taken and Budget Proposals are made on a realistic basis. Further, the budget proposals for the budget head "Pay and Allowance" may be based on the actuals of expenditure upto 30.9.2020 and the element of additional expenditure to be incurred on the vacancies likely to be filled up may be taken in the estimates.

(v) As in the previous year, the recovery on account of Repayable Loans and Advances and Misc. Income on account of Rent etc. will continue to be treated as part of the Income. The estimates may be worked out on the basis of actuals for the year 2019-20, RE-2020-21, BE-2021-22.

(vi) Consequent to the amendment of Paragraph 27 of the Pension Scheme, the ratio for the apportionment of expenditure between the two Schemes i.e. Employees' Provident Fund Scheme and Employees' Deposit Linked Insurance Scheme is 99:1. In order to keep the expenditure within the prescribed ratio, the estimates should be prepared in a consolidated form i.e. E.P.F. + E.D.L.I. The final apportionment in the prescribed ratio will
be done by Head Office after considering and finalizing the budget proposals by the field offices. In view of this, separate budget proposal for expenditure in respect of E.D.I.I. Scheme is not required. However, the budget proposals of Revised Estimates for 2020-21 and Budget Estimates for 2021-22 in respect of contribution and Income under E.D.I.I. may be furnished separately in Annexures enclosed alongwith the budget proposals of the Region.

(vii) The estimates should be furnished in respect of Standard Heads of Account only as annexed to this Office Memorandum and mixing of different heads and creation of new ones is not allowed. Care may be taken to book the expenditure under the appropriate Heads only. For instance, if any expenditure has been incurred on account of Sports Activities, Holiday Home, Information Technology, Dearness Allowance, Staff paid from Contingencies, Office Equipment, and Training & Conference, the same may be shown invariably under proper head against actuals with specific remarks. In the past, it has been observed that the expenditure incurred under the above mentioned heads was not booked under proper heads. The total expenditure in respect of the Board’ Share towards NPS, interest towards NPS and Service Charges for NSDL, may be booked under the budget head “Board’s Share of Contribution towards NPS”.

(viii) It may be ensured that there shall be no variation between the figures pertaining to Income & Expenditure of the previous year already reported in the Audited Balance Sheet and Actuals for 2019-20 shown in the budget proposals for 2020-21. Similarly, actual expenditure up to 30.09.2020 as reported in RE 2020-21 should tally with the figures so far reported by the Regions in the Monthly Expenditure Return II up to the month of September, 2020.

(ix) While preparing the estimates, the instructions of the Government of India, Department of Expenditure, Ministry of Finance OM No. 7(1)E.Coord/2014 dated 29.10.2014 on Expenditure Management - Economy Measures and Rationalization of Expenditure and OM No.12(13)-B(W&M)/2020 dated 08.04.2020, 23.06.2020 and 28.09.2020 on Cash Management system in Central Govt.-Modified Exchequer Control based Expenditure Management may be followed in letter and spirit.

(x) The budget proposals have to be co-related with regard to Income while proposing Expenditure in the Revised Estimates for 2020-21 and Budget Estimates for 2021-22. It may be ensured that Income resources are sufficient to withstand the proposed increase in the expenditure. In this context, it becomes imperative to see that all sources of Income are fully utilized and special attention is bestowed on collection of entire Administrative Charges and Inspection Charges due during the year itself.

(xi) Any variation beyond 10%, in respect of income, contribution & expenditure between Budget Estimates for 2020-21 and Revised Estimates for 2021-22 should be explained by way of a separate note by Regional Office to Zonal Office, which in turn shall consolidate and submit the same to Budget Division, Head Office.

(xii) The reasons for variation i.e. the anticipated increase or decrease under Contribution, Income and Expenditure in Revised Estimates 2020-21 may be worked out with reference to the actuals for the year 2019-20 as well as Budget Estimates for 2020-21.
The Budget Estimates for 2021-22, may be with reference to figures shown in Revised Estimates for 2020-21.

(xiii) The Zonal Offices may, in turn allocate adequate funds to the subordinate offices under their jurisdiction based on the RE & BE submitted by respective ROs. The requirements of the ROs may also be factored in the proposal of the Zonal Office and are to be annexed with the consolidated RE & BE.

(xiv) The Zonal Offices may also furnish the details of staff (sanctioned and in-position) posted in ZO and respective ROs in the attached format (Page No.-18).

6. The existing system of discussions by RPFCs of the Regions with their respective Additional CPFCs of Zones on the estimates may be carried out in advance by convening a meeting of RPFCs so that all issues are sorted out in advance while sending the budget proposal to Head Office and there is no problem in distributing the amounts on receipt of the approved Budget based on proportion to RE & BE submitted by them. For this purpose, Additional CPFCs of Zones are requested to:-

(i) Act as resource person for regional formations in Budget Proposal for the RO in a fair manner as well as in distribution of funds between offices in the Region as per the requirements of each Office.
